Dear District #1 County Committee Candidates:

Please be advised that on April 4th, the Roseland Borough Clerk received a challenge to the District #5 County Committee petitions. Although there was no challenge to your petition, we found that one defect in the District #5 petition also applies to your petition. N.J.S.A. 19:23-11. requires that all petitions be "verified by the oath or affirmation by affidavit of the person who circulates each petition, . . . that the signers are to the best knowledge and belief of the affiant legal voters of the State or political subdivision thereof". Your petition states that the signers of the petition are residents of Essex County, but does not mention Roseland or the specific District within the Borough.

Therefore, pursuant to N.J.S.A. 19:23-19. You are hereby notified that your petition is defective for the reason set forth above and that the date when ballots will be printed is April 16, 2018. Pursuant to N.J.S.A. 19:23-20., you have three days from the date of this letter in which to remedy the defect either in form or substance.

Attached please find an amendment to your petition which must be signed by the circulator who signed the original petition and which must also be notarized where indicated. If you have any questions, please feel free to contact us at the below office.

Sincerely,

Jock H. Watkins, RMC
Municipal Clerk
