Re: Chairmanship

Dear Executive Board and County Committee Members,

We just had an incredible week coming off an outstanding election night which is a testament to our team's efforts and the Morris County Republicans. Our victories were numerous including winning all our tough Assembly races, sweeping all the County seats, winning Parsippany, Roxbury, Denville, and many other municipal towns. Over the past year, together, we have accomplished quite a bit.

- We moved our Headquarters into a state-of-the-art office that has hosted many trainings, meetings, strategy sessions and events.
- We have engaged new campaign strategies and hosted campaign schools.
- We were able to offer head shots, videos to candidates
- We produced an internet commercial for the first time to promote our County and Republican leadership.
- We have expanded our digital footprint and social media presence, increasing our followers by over 400%.
- We have created a new website that has attracted many new visitors and volunteers and assisted our Republican voter registration efforts.
- Over 6,000 newly registered Republicans this year
- We have worked hard on unity and bringing all Republicans together.

I am very proud of what we have accomplished.

However, at this time, I must temporarily step aside as Chairman of the Morris County Republican Committee for personal and temporary health reasons.

Effectively immediately, Laura Ali will be acting Chairwoman and in charge of the day to day operations and Chairman duties and responsibilities. I urge everyone to give her their 100% support. Now is the time for united and focused leadership. Morris County Republicans deserve no less.

I look forward to continued success and to the growth and expansion of our party.

Thank you.
