

John Currie, State Chairman
New Jersey Democratic State Committee
194-196 West State St.
Trenton, NJ 08608

April 7, 2020

Dear Chairman Currie,

I hope this letter finds you and your family safe and healthy during these unprecedented times.

As you are aware, it is imperative as leaders in New Jersey that we address head on the realities of this pandemic, but at the same time continue to ensure that our democratic process is maintained. Therefore, as we approach the crucial undertaking of legislative redistricting, I would like to inform you of my decision to serve as member of the Legislative Reapportionment Commission.

My appointment will honor the agreement we made to keep our New Jersey Democratic Party unified with a continued focus on increasing the number of Democratic elected officials throughout the state.

I am available to discuss the needed next steps and look forward to working with you and the other members of the Commission on this most important endeavor.

Sincerely,

Steve Sweeney
